Product description

Keyring with a heart and a tag

A keychain with a heart and a tag is a charming and functional addition to your keys. This metal keychain has a heart lined with artificial leather, which gives it an elegant look. However, it is not only a decoration - the tag on the key ring allows you to sign the keys, which makes it a practical tool for organizing keys.

A heart keychain is not only a stylish accent, but also a useful tool in everyday life. You can sign your keys on it, making it easier to identify them, especially if you have multiple keys that look similar. Moreover, the heart lined with artificial leather adds a subtle charm to it, which also makes it a great gift idea for a loved one.
