Borosilicate Glass Bottle in a Case – Elegance and Functionality in One

Number	090,71-3266
EAN	4029811459407

Product description

Borosilicate Glass Bottle in a Case Elegance and Functionality in One

Discover a new dimension of hydration with a bottle made of borosilicate glass, which combines durability, style and ecological character. The ideal capacity of approximately 550 ml makes the bottle perfect for daily hydration needs both at home and on the go. High resistance to temperature changes makes it an ideal choice for hot and cold drinks. Available in three colors, each bottle is packed in an aesthetic box made of kraft paper with a window, which makes it a great gift idea.

Gadget at a glance:

- Bottle made of borosilicate glass, resistant to high and low temperatures
- Capacity: approximately 550 ml, height: approximately 23 cm
- Available in three case colors: subtle shades perfect for everyone
- Packed in an elegant kraft paper box with a window
