Product description

Ceramic vase - face 200 ml

A series of ceramic vases is a collection that combines functionality and artistic value. Each vase in this series has been carefully made of high-quality ceramics, which gives it durability and unique aesthetics.

Ceramic vases are not only practical vessels for arranging flowers, but also works of art that can decorate and diversify the interior of your home. Their unique shapes, details and finishes enhance the decorative value of any room.

Each vase in the series has a distinctive design that combines elements of modernity, classics and inspirations from nature. You can choose a vase with simple, minimalist lines, gently curved forms or more extravagant, decorated with patterns and motifs.

With a variety of sizes, from small and cute to larger and impressive, you can tailor the vases to your preferences and needs. Each vase is carefully contoured to ensure proper stability for your arranged flowers.
