## Decorative Fountain with LED and Succulent - A Relaxing Oasis in Your Home

Number	<b>090,190487</b>
EAN	<b>4029811490226</b>

### Product description

## Decorative Fountain with LED and Succulent - Relaxing Oasis in your Home.

Do you dream of your own little corner of tranquility, where the gentle sound of water soothes the senses and the subtle LED light creates a cozy atmosphere? **The decorative indoor fountain with LED and succulent** is a unique design element that combines **the natural charm of plants, the calming effect of flowing water and modern illumination.**

Its compact size means that it will fit on a desk, bedside table or in the living room, bringing **nature-inspired harmony** to the interior. **The artificial succulent** adds to its charm, eliminating the need for plant care, and thanks to its **battery power (2x AA)**, you can set it up anywhere, without the need to plug it into an outlet.

### Who this gadget is for:

- **For relaxation lovers:** flowing water and soft LED light help you relax after a hard day.
- **For those who love plants but don't have time to care for them:** Succulent plants incorporated into the fountain give it a natural look, without the need for watering.
- **For fans of stylish decorations:** The modern design suits both minimalist and cozy interiors.
- **For gift:** An excellent choice for those who appreciate elegant accessories for home and office.

### Gadget at a glance:

- **Mini indoor fountain** with flowing water effect.
- **LED backlighting** to create a cozy atmosphere.
- **Artificial succulent** to add natural charm.
- **Battery powered (2x AA Mignon)** - no wires, full mobility.
- **Compact size** - ideal for a desk, table or shelf.
