### Product description

#### **Inflatable self-inflating baseball bat -superhero**

A giant inflatable baseball bat An inflatable baseball bat is a product that encourages physical activity and outdoor fun. Playing with a baseball bat develops motor coordination, motor skills and improves physical condition. Thanks to its unique appearance, the unicorn inflatable baseball bat can also be an interesting decorative element that decorates children's rooms or serves as a collector's gadget. This product will certainly attract attention and bring a lot of joy to both children and adults.

A self-inflating baseball bat is a toy with a mechanism that allows the toy to inflate automatically. This means there is no need to use a pump or inflate.

The stick can rapidly expand up to 50 cm after inflating, which is an extremely impressive and fast phenomenon.

To achieve this effect, the sachet must be removed from the outer packaging. Then, tap the bulge and shake the sachet to inflate the stick. Within a few moments, the stick will expand and its size will impress everyone.
