### Product description

#### Decorative figure Victory - metal

You are the winner? Then the Victory decorative figure is for you! V for Victory is a symbol of victory and freedom, which was propagated internationally during World War II. In Poland, the sign of victory was widely used during the times of Solidarity. The Victoria sign evokes positive connotations in much of the world, which is why today it often accompanies us in photos and selfies. The Victory statuette is a perfect gift for a champion athlete, history and peace lover, for a business tiger. A tasteful trophy will decorate a display case, fireplace or a chest of drawers. It will also look great on a place of honor on your desk.
