## Backgammon game - metal version

Number	<b>090,79-7005</b>
EAN	<b>4029811447183</b>

### Product description

#### Backgammon game - metal version

A wonderful board game for two players. Each player has 15 pieces of different colors, which he moves across the board, consisting of 24 squares (triangles), called lines, according to the number of dice rolled on the two dice. The goal of the game is to take all your pieces off the board. The first player to do so wins.
