### Product description

#### Dinosaur puzzle game

We present you an amazing puzzle game with a dinosaur theme. This game is not only fun, but also looks like a real smartphone! Inside there is a picture with dinosaurs, which can be arranged using special puzzle cubes.

The dinosaur puzzle game provides fascinating and interactive entertainment. You can mix up the cubes and move them around to create new picture combinations. This gives you unlimited possibilities to arrange and discover dinosaurs in various configurations.

This game not only develops the ability to think logically, perceptively and focus, but also provides a lot of joy and satisfaction when assembling a picture. Each cube has a unique piece of a picture that must be fitted into place to form a complete picture of dinosaurs.
