### Product description

#### **Shunga edible massage cream 200ml - sparkling strawberry wine**

Luxurious massage cream from the Shunga series. This product was created for people who appreciate not only massage, but also sweet flavors. It is a product that stimulates all the senses and awakens the desire for more.

The cream contains high-quality ingredients that care for the skin while encouraging kissing and tasting. The delicious taste is one of the main advantages of this product. Its silky smooth texture allows for easy application and massage into the skin, leaving it refreshed, fragrant and caressingly soft for a long time.

It is worth noting that the product is vegan, which means that it does not contain ingredients of animal origin. In addition, the formula of this cream is free of sugar and gluten, which makes it ideal for people who use such products on a daily basis. The product is available in a 200 ml package, which ensures long-term use.
