### Product description

## Kino Fun - Film puns

Are you a true movie buff? Can you convey the title of a movie without words? Kino **Fun - Film Puns** is a game that will test your knowledge of cinema, reflexes and improvisation skills. Classic puns in a new, **challenging version** - unusual ways of showing passwords await you, which will make the gameplay even more exciting!

Imagine having to present "**Kevin Home Alone**" backwards or "**The Fast and the Furious**" lying down... This is just the beginning of crazy fun!

### Who is this game for?

- For movie buffs: Perfect for those who know every blockbuster and love movie guessing games.
- **For fans of puns:** Classic fun with new, unexpected challenges.
- **For party masters:** A game that will rock any house party or evening with friends.
- **For rival teams:** Possibility to play in teams for even more fun!

### Game Rules:

1. Draw a card with a password and see what category it's in.
2. Show the title of a movie, TV series or the name of a screen star **without using words** - but be careful! You may end up with an extra difficulty, such as showing while lying down!
3. Compete against time - you only have a few seconds for your team to guess the password!
4. Score points and have fun until the last scene!

### The game in a nutshell:

- **5 categories of passwords:**
