Compass keychain

Number	19,228616
EAN	5902067228616

Product description

Compass keychain

The compass keychain is a great gadget for a tourist and a functional, inexpensive gift for a travel fan. It will be useful during walks in the woods, during hiking trips and unexpected escapades. You can attach it to your keys, belt loops or backpack and always have it with you. The keychain compass will facilitate route planning, setting directions, orientation in the field and reading the map.

Keychain housing made of brass. Fastening with a ring. Closed compass.

Gadget at a glance:

- Brass compass keychain
- Material: brass, glass
- A great gift for a trekking lover
- Lockable compass
