Sundial compass

Number	19,228531
EAN	5902067228531

Product description

Sundial compass

A compass with a sundial for a fan of traveling to known and unknown corners of the world. It will help determine the local time, facilitate orientation in the field and reading the map. A compass with a sundial will prove to be a useful gadget for a traveler, a wanderer and a scout.

The upper part of the housing is a clock face with a raised gnomon. The dial has Roman numerals for the hours. Under the clock there is a compass with a wind rose, a scale and a magnetic needle.

Gadget at a glance:

- Brass compass with sundial
- A great gift for a hiking lover
- Makes a practical gift
- Has the ability to attach

Product dimensions: diameter: 7 cm
