### Product description

#### Chameli Chemise + Thong Lingerie Set - L

We present an extremely feminine and subtle Chameli set, consisting of a chemise and a thong. The T-shirt impresses with a delicate and light material that fits nicely on the body. The color of powder pink has been combined here in a very original way with floral applications on the cups, which adds subtlety and feminine charm.

The biggest advantage of this shirt is the beautifully exposed neckline, which adds sex appeal and sensuality. Thin straps combined with draping subtly emphasize the shoulders, and symmetrical front slits emphasize the waist, adding beauty to the female silhouette.

The set is made of 90% polyamide and 10% elastane, which ensures the highest quality and comfort of use. The set also includes sensual thongs that perfectly match the chemise. Chameli is an ideal proposition for lovers of powder pink, elegance and subtlety, who want to feel attractive and feminine.
