Bedside lamp - writing board

Number	19,320684
EAN	5906142320684

Product description

Night lamp - writing board

LED bedside lamp with a wearable writing board is a stylish and practical decoration! The combination of soft light and abrasive surface allows you to create a unique decoration that not only illuminates the room, but also becomes a place to write down important information or leave nice messages for loved ones.

Ideal gift idea:

This gadget is sure to please anyone who appreciates practical and stylish solutions. The board can be used to write down daily notes, create to-do lists, or leave nice messages for loved ones. The ability to leave an important message or a wish makes it both a practical and emotional gift. This is an excellent option for anyone who appreciates unconventional gifts that will remain in the memory for a long time.

An interesting decorative element:

The blackboard bedside lamp will be perfect as a decorative element in any interior. The soft LED light will create a cozy atmosphere, and the blackboard becomes a place to express creativity. You can draw on it, write quotes, create funny drawings or write down important information. The lamp will be perfect for your desk, children's room or bedroom.
