EAN	4029811474110

Product description

Magic towel - forest animals

The Magic Towel is a product that will certainly interest anyone who likes original and interesting gadgets. This very heavily pressed towel, when thrown into water, swells quickly and becomes large - reaching a size of about 30 x 30 cm.

This magical process of growing a towel is extremely mesmerizing and will delight not only children but also adults. It will be perfect as a small gift for the youngest, preschoolers, but also for anyone who wants to feel like a wizard - just throw a towel in the water and enjoy its rapid unfolding.

The towel is available in various graphic patterns, and when you buy 48 pieces, you will get a free display. It is a perfect gadget for a gift, which will certainly bring a lot of joy and interest not only to the youngest.

This magic towel is not only a practical item, but also a great opportunity for fun and a fascinating experiment. Thanks to it, everyday rituals, such as washing hands, can become an interesting and unforgettable experience.
