Product description

Magic towel -Save the Planet

A very strongly pressed towel, which swells very quickly and becomes large when thrown into the water - about 30 x 30 cm. Perfect for hands for children, preschoolers, but not only. The magical process of growing the towel hypnotizes the curious minds of children, and the adult looks at it with curiosity. An original idea for a small gift. The towel is available in various graphic designs representing the Save the Planet slogan. We ship as a mix of patterns. Display for free when buying 48 pcs.
