Product description

Metal jewelry stand - hand

The hand-shaped metal jewelry stand is a practical and stylish solution for anyone who wants to keep their jewelry organized. Made of metal, the stand looks elegant and modern. Its shape resembles a hand that can easily hold various types of jewelry, such as rings, earrings, necklaces and bracelets.

The stand has a golden color, which gives it extra shine and elegance. The height of the stand is about 27 cm, which makes it suitable for most types of jewelry. The metal structure of the stand ensures stability and durability, which allows for safe storage of jewelry.

By choosing a hand-shaped metal jewelry stand, you get a product that allows you to store your jewelry in an easy and practical way. Thanks to its elegant appearance, the stand will look great in any interior, both at home and in the office. It is the perfect choice for anyone who appreciates beauty and practicality in everyday use.
