Product description

Metal plant stand with dish - Love

We present a metal plant stand on a wooden base - a perfect addition to your interior that combines elegance and functionality. This designer stand is the perfect solution for plant lovers who want to create beautiful and stylish plant arrangements in their home.

The stand is made of durable metal, which guarantees its stability and durability. Its minimalist design and black coating give it a modern look that blends perfectly with a variety of decorating styles. In addition, the wooden base gives it a natural charm and warmth, creating a harmonious combination of materials.

Equipped with one test tube, the plant stand allows you to display and display a variety of plants. The test tubes are made of transparent glass and act as a vase. Thanks to this, the stand is not only an aesthetic place for plants, but also a decoration of the room.
