Product description

Mini arcade game machine

Do you sometimes want to go back to your youth and spend a day playing slot machines? Do you remember how many coins you missed this way? A mini slot machine is a great way to relive your memories and the best years of your youth. The mini slot machine has as many as 26 retro games that will provide hours of great fun. The figure of a small slot machine also looks great as a decoration for a computer game fanatic's room.

The gadget at a glance:

- mini arcade game machine
- includes 26 games
- 99 levels to beat
- powered by 2 x AAA (not included)
- also looks great as a decoration
- a great gift idea for a computer game fan
