

Selfie lighting

Number	090,69-0114
EAN	4029811440207

Product description

Selfie lighting

Often at parties or in the evenings it is difficult to take a good selfie due to the lack of a flash aimed at the face or the lack of adequate lighting. A circle with special LEDs, put on your phone, will brighten your face thoroughly when taking a selfie. It has adjustable 3 levels of light intensity. We ship as a mix of colors.

The gadget at a glance:

- selfie lighting
- perfectly illuminates the face in the dark or during a party
- hooked on the phone
- 3 levels of light intensity
- powered by 2 x AAA batteries - not included
- we send as a mix of colors
- a great useful gadget for selfie lovers
