EAN	<b>5902067224755</b>

### Product description

#### **A ball made of natural leather in a retro style**

The retro leather ball is a perfect product for football lovers who appreciate style and tradition. This leather ball is based on the classic models used in matches many years ago. Its authentic look and feel will take you back in time as you enjoy the game or admire it as a unique piece in your collection.

The leather ball is made of high-quality natural leather, which gives it a unique character and durability. Its carefully finished seams and brown color add elegance and nostalgia. The ball is easy to inflate with a standard pump, allowing you to adjust it to your preferred level of inflation.

The retro leather ball has dimensions of 20.5 x 20.5 cm, it can act as a decorative item, being a unique exhibit in your home or office.

This product has a wide application. It can serve as a perfect gift for a football enthusiast who will enjoy the authenticity and retro style. It is also an ideal gift for a coach who will appreciate the high quality and originality of this ball. It can also be used as a prize in football games, adding a unique character to them. For lovers of sports history, the retro leather ball is a unique gift that reminds of the rich tradition of this beautiful sport.
