### Product description

#### Mouse pad - Star Wars

This Star Wars mouse pad is a 100% original product verified by official representatives. Each product has a copyright note and an EAN and SKU code on the packaging, confirming its originality.

The pad has been designed with comfort of use in mind. The bottom of the pad is made of foamed rubber, which prevents it from sliding on the desk top and provides comfort for the hand and wrist. In turn, the top of the pad is made of polyester, which guarantees a gentle and smooth mouse glide. The material also allows the pad to be rolled up, which makes it easy to store.

The graphics of the pad have been embedded in the product, which guarantees its maximum durability. The unique design depicts themes related to Star Wars, which makes the pad the perfect accessory for any fan of this saga.

The mouse pad measures 220mm x 180mm x 2-3mm, making it ideal for most mouse sizes. Product tests performed by official representatives of the brand guarantee its highest quality and safety of use.
