### Product description

#### **Puzzle for children 45 elements - farm or ocean**

We present to you a wonderful set of puzzles consisting of 45 elements. It's a great idea for playing puzzles with a child over 3 years old. Colorful patterns will delight every little lover of puzzles.

The puzzle set includes a mix of two patterns: farm and ocean. Thanks to this, the child will have the opportunity to discover the fascinating world of animals and plants both on the farm and under water. Colorful and child-friendly illustrations will stimulate the toddler's imagination and arouse his curiosity.

The puzzle consists of 45 solid and durable pieces that are easy for little hands to hold and put together. Each piece is carefully crafted and precisely cut to fit perfectly with the rest of the puzzle. This makes the game fun and rewarding.

Solving puzzles is a great form of development for children. It helps to develop manual skills, eye-hand coordination and logical thinking. It is also a way to exercise patience, focus and perseverance in the youngest.
