Product description

Family with a child Decorative figurine

A decorative figurine depicting parents holding their child's hands will steal the hearts of all parents. The figurine symbolically expresses parental care and love as well as the joy of spending time together. It will work as a gift for new parents, a gift for Mother's and Father's Day and as a gift for the birth of a child.

The figurine in a minimalist style fits perfectly into modern arrangements. It will decorate a shelf, fireplace or chest of drawers in the living room and add a family atmosphere to the room.

Gadget at a glance:
