Product description

Piggy bank skull - three monkeys

For those who believe that saving is the last thing worth spending money on, we recommend the skull piggy bank. It's hard to find a more final theme. A funny gadget that will make even the most skeptical smile. The skull in three designs: I see nothing, hear nothing, speak nothing. The Three Monkeys is a world-famous metaphor containing a maxim spread by Confucius. It encourages people to refuse to speak, see and hear in certain situations. This would be a guarantee of leading a successful life. We sell as a mix of designs.

The gadget at a glance:

- a skull-shaped piggy bank
- made of polyresin
- has a hole on the bottom with a key, for multiple use
- we sell a mix of 3 designs
- a crazy gift for lovers of saving
