## Platter Pegs puzzle - Ocean world

Number	<b>18,069221</b>
EAN	<b>5413247069221</b>

### Product description

#### Platter Pegs puzzle - Ocean world

Platter Pegs is an innovative toy that inspires children to play creatively and learn. It is a puzzle with ocean elements that develops motor skills, concentration, imagination and creativity. Thanks to it, children can create their own fantastic sea scenes, which makes learning fun.

The set includes 298 different-sized mushroom elements, two cards with sea creatures, a picture album for inspiration, a bottom plate for arranging scenes and a convenient storage basket. Platter Pegs not only entertains, but also helps in the child's development by developing cognitive and manual skills.

It is a toy that focuses on independent exploration and learning, encouraging children to create and discover new things.
