Periodic Table Shower Curtain

Number	090,31-4050
EAN	4029811313853

Product description

Periodic table shower curtain

The periodic table shower curtain is an original and fun product that will surely attract many people's attention. This 180 x 180 cm shower curtain not only fulfills its basic function - it protects against water while taking a bath, but also allows you to quickly learn chemistry in your free time from school or work. The curtain shows the elements of the periodic table in the form of a table, thanks to such bathroom equipment, learning chemistry becomes not only easier, but also more pleasant.

The set includes clips that allow you to hang the shower curtain easily and quickly. The periodic table shower curtain is a perfect gift for every lover of science and chemistry, as well as for those who need a bit of humor in their bathroom. This product will certainly add character and originality to any bathroom, attracting attention and bringing a smile to the faces of guests.
